## ALAN AND DOMINIQUE VAVRO

After their many customized projects for internationally recognized restaurants, and for tableware market leaders Villeroy & Boch, WNK and RAK Porcelain Dominique and Alain Vavro lend their classic and contemporary spirit to Ariane Fine Porcelain.

The Vavros also work closely with important figures in the food and beverage industry including the late 3 star Michelin chef Paul Bocuse, and wine specialists such as Georges Duboeuf.

## GEMMA BERNAL

Gemma has designed almost all her life, and all kinds of products. She has always focused on those products that are intended for use by people.

Live the profession of designer with a determined attitude towards life and everything that surrounds it. Observe, Interiorize and Propose. All the circumstances that become when living in the Mediterranean produce the spark, light and creativity that appear in her proposals.

The closeness to the chefs, the needs of use and service in their gastronomic proposals, has led her to collaborate with different international companies, such as Ariane. She believes that the success of a product depends on many people and circumstances and that the design is just one of them.

## MIKAELA DÖRFEL

Drawing her inspirations from nature, water movements and the tradition of Scandinavian design, this unique designer develops tableware for brands from Europe, Asia and America.

Her unique sense of shapes, modern lines and attention to functionality ensures longevity and timelessness of each of her designs.

## HIROSHI TSUNODA

Hiroshi Tsunoda is a Japanese designer established in Barcelona since 2000.

In 2005 Hiroshi decided to found his own studio in Barcelona. His studio offers a variety of different services all in the line of design, through medias such as product design, furniture design, conceptual design, interior design and graphic design. His designs has been showed around the world and he has participated in a huge number of talks and events in many countries.

Recently his interest for cooking has created numbers of prosperous design projects with Ariane Fine Porcelain.

# EARTH

by Gemma Bernal

The EARTH plate design moves beyond the typical focus on uniqueness and instead emphasizes the organic and natural shape of the tabletop plate. By embracing EARTH natural form, the potential for creative expression becomes limitless, and it establishes a new benchmark for plate design.

# MOHENJO DARO

The rustic yet sophisticated looking Mohenjo Daro Collection is an elegant tribute to the majestic Mohenjo Daro of the ancient Indus Valley civilisation. The golden splatter with hints of copper tones against the muted neutral background captivates the subtle richness of pre-historic creations. The collection is crafted with a wavy rim and rounded edges giving it an instant earthy look.

The abstract concentric patterns lend it an exquisite charm. The warm dish, when served in this timeless piece of art takes us back to a time when people gathered around and enjoyed good company by sharing meals. The traditional yet modern-looking Mohenjo Daro collection appeals to a minimalist yet trendy restaurateur.

Celebrate your unique style by adding this exceptional crockery design to your collection.

# KAMA

by Hiroshi Tsunoda

This collection draws inspiration from the traditional Japanese cooking pot, the Kama. The result is a beautifully crafted collection that harmoniously combines traditional and contemporary elements, making it an ideal choice for those who appreciate the beauty of cultural fusion. The cubes' modern edge combined with traditional roots makes them a versatile addition to any kitchen.

# SLIDE

by Hiroshi Tsunoda

SLIDE is a modern yet warm collection. SLIDE's round inner bottom creates interesting effects with food even giving the impression of zero gravity space. The contrast between thin edges and high walls highlights the food and adds a contemporary polish to the table.

# PRIME

by Mikaela Dörfel

The Prime collection is a perfect example of an elemental design principle executed with finesse. This collection provides a complete tabletop solution with a wide range of products available in various sizes. The design is elegantly classic, and its build can withstand maximum usage.

It is an ideal choice for fine establishments in the hospitality, catering, and food & beverage industries as it meets the demands of modern gastronomy by incorporating style, functionality, and resilience.

# JAGUAR

The Jaguar collection takes inspiration from the elegant wild felines of the same name. Much like its inspiration, the Jaguar collection is sleek, stylish, bold, and aggressive in terms of its design. It features jaguar-like spots on the tableware to pay homage to its inspiration.

Suitable for cafes and casual dining spaces, the Jaguar collection puts your food in the limelight quite literally, thanks to its reactive glare when interacting with light. The monochrome background gives your plate a warm appearance, allowing endless opportunities for elegant yet bold fine-dining presentations that will certainly leave you amazed at first glance. A unique combination of gloss and matt glaze will leave everyone in awe.

# FRECKLES

Freckles are beautiful and unique, just like the Freckle collection it inspired. The stoneware appeal of this collection makes it a perfect choice for modern cafes, as it perfectly complements the cafe aesthetically. The warm brown tones of the Freckle collection can elevate the presentation and plating of food, giving diners a magnificent experience. The freckles are represented in the design of this collection, with spots on the edges to resemble them.

The versatility of this collection is immaculate, as it's suitable for plating a variety of cuisines and dishes. For a unique and complete setup, you can club the freckle collection with the Jaguar collection and create a franken-collection that combines the boldness and subtleties of both.

# TERRACOTTA SPLASH

The word "Terracotta" is derived from the Italian words "terra" and "cotta," which means baked earth. This range is glazed with a reddish-brown hue that resembles the natural colour of clay. It truly captures the aesthetic of the vibrant glaze, adding an element of beauty to the collection.

**INGENIOUS TECHNOLOGY**

Behind the subtle designs and durability lays a robust technology that combines premium raw materials like kaolin, quartz and feldspar and optimizes the usage of these raw materials to extract their best properties. The combination of modern state-of-the-art manufacturing facilities, and up-to-date German machineries, produces exceptionally durable porcelain dinnerware items. maintaining a value for money proposition.

**INTERNATIONAL DISTRIBUTION**

Accessibility is the key to a great brand. We live up to this expectation by deploying an easy reach distribution strategy that comprises strategic tie-ups with leading hotel suppliers and industry players from all over the world. You'd find us in all leading hospitality procurement hubs.

**DESIGN AND FUNCTIONALITY**

Service with a personal touch plays an integral part in the world of hospitality. We offer the possibility for personalization according to all our clients' company identities and special requirements. The result is modern designs combined with individualism.

Ariane Fine Porcelain offers a flexible approach to customized decorations and production lines with personalized décor, shapes, patterns, décor variations and custom-made logos to its customers in order to meet all their diverse requirements.

**COMPETENT SERVICES**

At Ariane Fine Porcelain an effective and clear distribution & replacement structure has been put in place to give an effective delivery and after-sales service.

**CERTIFICATIONS**

Ariane Fine Porcelain successfully meets stringent global quality standards such as physical tests certification from SFC France and quality tests (dishwasher safe, edge-chip resistant, microwave & oven safe. steel/metal marking test) certifications by LUCIDEON, UK for our superior quality porcelain tableware that live up to world-class international standards.

Ariane Fine Porcelain has certified the ISO 9001:2015 for quality management and SA-8000:2008 for social accountability by TUV, Germany.

Ariane Fine Porcelain products have approved with the Vegetarian Society of UK for being 100% vegetarian. Every article of table ware contains no bone ash, Ariane Fine Porcelain thereby provides an absolutely hygienic vegetarian solution to markets that are exclusively vegetarian. It has also certified by Halal Committee, Mumbai, India.

# QUALITY WITHOUT COMPROMISE

Hospitality is a demanding industry that has specific, ever-evolving needs. The unique blend and amalgamation of raw materials, breakthrough technology and a quality assurance team, guarantees that all Ariane Fine Porcelain items are kept in line with these requirements.

## DISHWASHER SAFE

Our porcelain is fired at high temperatures which making it highly resistant to repeated dish washing cycles at high temperature.

## MICROWAVE & SALAMANDER SAFE

Ariane Porcelain products are both microwave and salamander safe due to their heat resistant layer of glaze. (Other than products with all kind of decorations including with precious metals like Gold, Platinum etc).

## SMOOTH APPEARANCE

The special glaze fired at high temperatures not only gives all our porcelain a smooth, clean finish, but also ensures that it becomes completely non-porous, guaranteeing higher levels of hygiene.

## ABRASION PROOF

The special glazing fired under high temperature ensures strong resistance to scratches or abrasions.

## LIMITED DANGER IN CASE OF BREAKAGE

The products are designed to avoid breakage hazards, as they break cleanly into safely manageable pieces.

## THERMAL SHOCK PROOF

Ariane Fine Porcelain not only retains heat to keep the food warm, but also is resistant to variations in temperature.

## PERFECT FUNCTIONALITY

All our designs focus on absolute functionality. Most items are stackable including cups, bowls and platters, which enables the most efficient use of space.

## HIGH CHIP RESISTANCE

The special high alumina material used by Ariane Fine Porcelain offers strength, durability and resistance against chipping to critical points like edges of cups, plates and handles.

## ARIANE ANTI-MICROBIAL TECHNOLOGY

Ariane Fine Porcelain brings to you the first commercial porcelain tableware that incorporates "Anti-Microbial Technology" and also manages to meet the demands of high-volume food-service operations from fast-casual eateries with counter service to fine-dining restaurants.
