TABLE SOLUTIONS

With so much riding on your tables, you need a partner you can trust. Count on SICO® for the diverse solutions, solid workmanship and innovative features to make every set-up smooth and every guest experience perfect.

Event Tables

Our innovative event tables are designed to enhance and accentuate creativity. Meeting clients needs from food presentation to social and learning applications has never been easier. SICO's event tables provide flexibility while maximizing your event space. Creating memorable guest experiences while minimizing strain on your staff.

Meeting & Banquet Tables

Whether they're getting down to business or getting ready to party, your guests will be impressed by the quality, style and sophistication of our meeting and banquet tables. Select from basic plywood tables, to a wide variety of shapes, sizes and laminate patterns. SICO's tables complement any space while featuring legendary craftsmanship, portability and storage conveniences.

In-Room Dining

Deliver a five-star experience right to your guests with our stylish, sturdy room service tables. Thoughtfully designed with oval and square table tops. SICO® room service tables offer enough dining space for up to four adults. With a large table top surface and extra leg room, our tables create an exceptional in-room dining guest experience. Easy rolling tables makes delivery smooth for your staff, while our non-metal contact frame makes for a quiet delivery to your guest.

EVENT TABLES

Nest for Storage, Nest for Style

Design sense meets common sense. Our stunning nesting tables create a variety of arrangement options to meet multiple usage needs, while also offering practical, space-saving storage simplicity. Now that's smart!

Nesting Tables- Metal Legs

Arrange in traditional or unconventional layouts creating unique serving and action stations. Crafted from tubular steel and your choice of top options in a variety of finishes that complement any décor.

Nesting Tables- Wood Legs

Hand-crafted from Red Oak or Maple wood veneers in a variety of finishes. These nesting tables feature a classic, clean, simple design. Arrange in traditional or unconventional layouts creating unique serving and action stations. Available in a set or sold separately.

Live Edge

With their rustic, Maple or Oak tops, these tables exude a truly natural charm. A perfect choice for facilities that want an organic, natural look.

EVENT TABLES

Save BIG on Storage

Flip and nest the Socializer table within the adjacent table and roll it easily into and out of storage. The Diamond Cross Frame can be stored most efficiently on a caddy with up to 18* other tables.

**Caddy storage capacity will depend on table size.*

Socializer

Elevate your guests' experiences with our Socializer selections. Featuring tiered heights that complement a sit-down dining or standing social event, these versatile favorites maximize your serving flexibility.

Diamond Cross Frame

The elegant, intuitive design of the Diamond Cross Frame tables makes any event a show stopper. The reversible tops and configurable construction makes any arrangement possible for any event. The top lifts off with no clasps or triggers and the frame folds flat. Simply roll the tops and frames into and out of storage on one of our table caddies.

EVENT TABLES

Nesting Storage

How do we fit so much catering innovation into such a small space? By creating tables that can roll, fold and nest into each other to store in a compact space – until your next big upscale event.

Sophisticate

True to its name, our Sophisticate catering table is a classy combination of style, mobility and durability. Ideal for any upscale event – from catering to chef demonstrations – the Sophisticate tables are available in a variety of finishes making it the perfect choice for any upscale linenless event.

Sophisticate Plus

The Sophisticate Plus offers eye-catching style, linenless convenience and maximum mobility along with another impressive innovation – holding or induction cooking units built right into its durable tabletop. You'll be assured that your dishes are at the ideal temperature, from the first serving to the last. That's catering with confidence.

EVENT TABLES

Compact Storage

We know that your commitment to creating a unique guest experience is endless, but your facilities' space is not. That's why our rugged catering tables also fold down easily for compact storage allowing you to store multiple tables in a tight footprint.

Catering

Finally. Tables designed to cater to your serving and pre-set needs. Our versatile catering tables can be in the kitchen and rolled into use by one person, reducing labor costs and minimizing noisy meeting interruptions. The versatile racks allow for extra storage.

MEETING & BANQUET TABLES

Transport Caddies Give You a Leg Up

Minimize staff strain and downtime by using our heavy-duty transport caddies to stack and move our folding leg tables with ease. Each features built-in angle support bars and side rails to keep tables snug and secure and keep your operation rolling.

Linenless FLT

These premium folding leg tables are built to last from edge to edge with heavy-duty legs, aircraft lock-nuts and bolts and our rugged Armor-Edge® technology. Choose either plywood or from a wide variety of laminates to create a linenless look. With a choice of three leg styles, a variety of sizes and an optional modesty panel, these tables fit nearly any need or space configuration.

MEETING & BANQUET TABLES

Nesting Storage

Your hard-working staff will appreciate how our MultiApp tables fold and nest together effortlessly and can be stored away in a remarkably small space.

MultiApp

With the mobile, versatile MultiApp table, you can be meeting-ready in seconds. It requires no caddy so it can be rolled into action by just one person. Choose from a variety of trending laminate colors to match your décor – each with our rugged Armor-Edge® edging. Also available with data ports.

MultiApp IIS

With its clean, classic colors and lines, this table makes a statement. Featuring dual-sided seating and ample leg room, the MultiApp IIS lives up to its name as a multi-purpose table. Use as a conference, catering, or banqueting table. The applications are limitless. Durable swivel casters make mobility easy.

MEETING & BANQUET TABLES

Nesting Storage

Our Pacer tables are just as impressive in storage as they are in service. When not in use, they fold easily for compact, upright placement in even tight areas. Another space challenge solved!

Pacer

With the Pacer's smart design and variety of shapes you can fit more tables into one space and increase your seating capacity by up to 32%. Plus, its stylish, yet rugged, frame can be folded and rolled effortlessly into storage – by just one staff member. That's SICO® simplicity.

Pacer II

The Pacer II takes the Pacer's durable design and style to the next level. With its seamless tabletop, reinforced with SICO® Armor-Edge® edging, and attractive colors and shape options, the ultra-mobile Pacer II empowers you to quickly transform any area into a productive meeting space.

MEETING & BANQUET TABLES

Compact Storage

We apply as much engineering innovation to product storage as we do product performance. For example, our spacious conference tables fold down quickly into a tight vertical formation and can be rolled away in seconds, by just one person. It doesn't get much easier than that.

Conference Table

With its upscale boat-shaped look and compelling contours, this table will enhance your reputation as a premier meeting venue. It combines the beauty of a traditional conference table with our legendary durability and easy fold-and-roll design. It even features an optional built-in data port and outlet to power winning presentations.

IN-ROOM DINING

Nesting Storage

Optimizing your storage room is a breeze with our room service tables. They fold easily and roll together into a tight vertical nesting alignment. And there's no lifting needed!

Bi-Fold

The Bi-Fold table is available with an oval or square top. Leaves fold down for transport, then fold out for service. A durable and rugged table for operation, this premier in-room dining table will allow you to create a premier in-room dining experience for your guests.

Tri-Fold

Exclusive SICO® design, the Tri-Fold is the only table available where the leaves lock in an upright position for transport. This feature, available on both the oval and square top, greatly reduces spillage and breakage. The top easily tilts to a vertical position for storage.

IN-ROOM DINING

Food Warmer Transport

Place a food warmer on the rack below a room service table and deliver your guest's in-room dining cuisine at just the right temperature.

Unit-to-Unit Rack Connection

Connect the lower racks of room service tables to allow for one in-room dining attendant to deliver and pick up a train of multiple tables. Easy for your staff and efficient for your bottom line.

Larger Casters (Optional)

Choose a larger 5" resort caster for easy rolling over rough terrain. Constructed for durability and easy cleaning. One person can easily roll and maneuver tables.

Table Guide (Optional)

Ask for our optional Table Guide to make navigating hallways and elevators easier for your team.

IN-ROOM DINING

Active Storage

Store, heat and transport up to six food warmers with this convenient caddy that includes swivel casters and a master power unit into which you can plug your warmers. It makes kitchen prep easier and meal delivery a snap!

Food Warmer Racks

Free up floor space with our efficient food warmer storage racks. Available in single-rack (holds nine warmers) or double-rack (holds 18 warmers). These innovative gravity-fed systems will ensure your warmers are ready for use with every guest order.

Telescoping Handle & Wheels (Optional)

After delivering an impressive culinary experience on a room service table, a telescoping handle and wheels added to the warmer makes it easy to transport the food warmer back to kitchen.

Food Warmers

Give your guests your best by choosing SICO® as your source for quality food warmers – in electric or solid fuel options. Crafted with stainless steel and aluminum exteriors, these units have built-in thermostats to maintain ideal temperatures. Plus, they stack and store easily and shelves remove in a snap for streamlined cleaning and maintenance.

BAR & TOWER SOLUTIONS

Give your culinary creations the presentation they deserve by using SICO® mobile buffet station solutions to entice, inspire and serve your guests in total style.

Mobile Bars & Display Towers

SICO's Mobile Bars and Display Towers are built to perform wherever and whenever the event calls. Vertical displays are the perfect solution for food and beverage presentation, general display or during social hour as a bar back. Choose from a wide array of finish options that can be personalized to suit your theme. With a multitude of shapes, sizes and finishes, the options are endless.

MOBILE BARS & DISPLAY TOWERS

Caster Transport

Roll into and out of use on 3" (8cm) casters. Even setup in back of house and roll into place fully stocked.

Mobile Bar

SICO's Mobile Bar is built to perform wherever and whenever the event calls. On casters the bars are easily rolled into and out of use. Finish options are limitless so you can rest assured the bar will fit perfectly with the rest of your decor.

Display Towers

SICO® Mobile Display Towers are flexible, multi-functional and timeless. The vertical display is the perfect solution for Food and Beverage presentation, general display or during social hour as a bar back. Available with laminate or wood veneer shelves and brushed stainless steel or powder coated frame. Personalized to complement your space.

STAGE SOLUTIONS

When you're looking for dependable performance, it has to be SICO®. We're proud to carry a complete line of innovative portable staging solutions and accessories that bring solid support and impeccable style to any event. Set-up is simple. Take-down is easy. And our variety of mobile solutions make transport and storage stress-free.

Meeting & Banquet Stages

In hospitality, every day brings a new event and a different presentation need – from small-group sessions to posh galas, some planned for and some not. Stay prepared for whatever the day throws your way with our reliable Meeting & Banquet Stages, with the portability, mobility and easy set-up that'll keep you ready for any event.

Performance Stages

Performers have enjoyed SICO® mobile and portable stages for generations, but your staff will believe our stages are the true stars of the show.

When your event requires an elevated platform for small regional or large national events, SICO's performance stages are a must. Design to be easy to operate with minimal storage, SICO's performance stages provide an exceptional value for any venue.

Accessories

Our ramps, steps, drapes, backdrops and other accessories will add crucial functionality and safety as well as a touch of style to your stage performances. With SICO®, every detail is covered so every event you host can be spectacular.

MEETING & BANQUET STAGES

Caster Transport

With SICO's mobile stage and risers systems, storage is a snap. Our units can be rolled away in minutes, freeing up your staff to focus on other important tasks.

1800 Series

The dual-height and single height 1800 series offers all the advantages of a mobile folding stage, plus the added simplicity and speed of built-in height adjustability. A single person operation means rooms can be turned quickly, with minimal labor. This saves of both money and time for any operation.

Tri-Height

Our Tri-Height mobile stage is available with three variable height adjustments and reversible decks, making for a versatile system. Designed for maximum set-up flexibility. The Tri-Height can be used as a head table riser, speaker platform, or runway. The possibilities are endless. Single person operation means rooms can be turned quickly, with minimal labor.

MEETING & BANQUET STAGES

Storage Caddies

With SICO® stages and risers, storage is no sweat. Our solutions fold and fit easily into our storage caddies and can be rolled away in minutes, freeing up your staff to focus on other important tasks.

X-Press

The SICO® X-Press Stage and Riser is designed with a sturdy build, in a lightweight frame, so it can be easily transported from one application to another. It sets up in a snap, by simply unfolding the frame and laying the deck into place. Choose from multiple deck surfaces, including our innovative Tuff Deck or carpet.

Variable Terrain

A smart, dual-use product that maximizes space and productivity, our Variable Terrain solution can be set up as a performance stage or tiered riser for seated riser, choral or instrumental performances – indoors or out. You'll get multiple height options and stage units that can be locked together at the same height or in tiered set-ups, for strength and stability across every configuration.

*TechLite™**

TechLite™ makes it easy to tailor a stage and riser system to fit small or large spaces – and without the need for tools. With adjustable and fixed heights, optional anti-slip Riga Heksa Plus Decking or carpet, our Power Lock™ leg-fastening system and more, the TechLite™ is a versatile performer you can count on.

**Patent Pending*

PERFORMANCE STAGES

Efficient Storage

SICO® innovation extends beyond the stage, to include storage solutions, too. All of our performance stages are designed for secure, compact, low-stress storage. Because a great stage shouldn't have to take up a great amount of space.

*Venue Maker Pro™**

This is staging innovation from top to bottom. The Venue Maker Pro™* (VMP) includes features no one else offers: top-deck leveling, v-shape frame design for easy under stage access and the smallest storage footprint of any stage in its class. SICO® does it again!

**Patent Pending*

STAGE ACCESSORIES

ADA Ramps

Our ADA-compliant ramps are made up of modular, mobile folding units that set up quickly and easily, and are adaptable to each of our various stages. All ramps are carpeted, include side guardrails and designed with a gradual incline of 1" per foot (2.54 cm/m) – for smooth, confident stage entrances and exits.

Articulating Steps

Articulating steps can be raised and lowered to enable use with a wide variety of stage heights. Steps attach to the top of a stage deck which provide support for the steps. Available in carpet or black vinyl on the tread.

Modular Steps

Modular steps are fixed steps that are easy to operate and have a smaller storage footprint than articulating steps. Add additional step platforms to create the necessary height. Each platform rolls and locks into place with ease so performers can enter and exit the stage gracefully.

Chair & Table Stops

These rugged stops help optimize safety by ensuring tables and chairs won't slide off the stage. Made from steel bars and available in multiple lengths, they attach quickly and rest one-half inch above the surface of the stage deck.

STAGE ACCESSORIES

Crowd Control Barriers

Crowd control barriers can help you keep order when and where you need it.

Enclosure Panels

Use enclosure panels to create a finished look to a stage while adding safety for your performers.

Drapes

SICO® Drapes add a first-class finishing touch to your staging, secured by continuous hook and loop fastener strips that make it extra-easy to attach the skirting. Our draperies are made of attractive, flame-retardant fabric that retains its beauty over years of use.

Backdrops

Our solid backdrops create a professional look and help focus the audience's attention on the performers, not on what's happening backstage.

Guardrails & Covers

Safety is always your first priority and SICO® is here to help. Guardrails must be used with all of our stages and risers and we have options to fit all of our systems. We even include rail covers in multiple color selections to fit your staging décor.

DANCE FLOOR SOLUTIONS

SICO® invented the first professional portable dance floor in 1964 and continues to stay a step ahead of the competition. In fact, more dance moves and more dance memories have been created on SICO® floors than any other brand! When you want to give your guests the best, it has to be SICO®.

Laminate

Available in a wide variety of stylish laminates, our Cam-Lam* or Starlight II*-solutions for indoor-outdoor use, offer versatility so you can create a first-class dance environment for your guests virtually anywhere. They're maintenance-free and resist chipping, scratching and fading – protecting your flooring investment. Plus, they feature our positive Cam-Lock system for easy alignment and simple set-up and take-down.

**Patented*

LAMINATE DANCE FLOORS

Storage Caddies

Save on take-down time and avoid hassles with our smooth-rolling storage caddies. Cleverly designed with separate spaces to hold dozens of panels as well as trim pieces, SICO's storage caddies make it easy to secure, store and safeguard your floor until the next big event.

*Cam-Lam**

Available in a variety of laminate designs from a wood plank look to a modern or rustic finish. SICO's Cam-Lam dance floor delivers a maintenance-free finish that resists scratching and fading. And it features our positive Cam-Lock system for automatic panel alignment and a fast, secure fit – making set-up simple!

**Patented*

*Starlight II**

With the rugged Starlight II, the sky's the limit. This safe, secure portable dance floor is built to withstand the rigors of outdoor use. It combines a high-pressure laminate surface with a high-density fiberglass reinforced foam inner core, positioned between sheets of sturdy aluminum. And our Cam-Lock positive locking system streamlines set-up and take-down.
